

Establishing your Noise Abatement Council

Step 1: Gain approval from the Airport Board to establish a Noise Abatement Council.

Step 2: Identify local stakeholders to participate on the Council:

- Airport staff
- Pilots (that use the airport)
- ATC staff
- FBO representatives
- Tenant representatives
- Local governmental officials
- Citizen representatives
- Local business stakeholders

Step 3: Identify a date/time for regular meetings. Monthly? Quarterly? Evenings? Mornings?

Step 4: Add information to Airport webpage.

Step 5: Consider media notification to inform community. Press release? News article?
