

## Course Handout | Course 3: Stormwater Plans, Inspections, Reporting

Here is a spot to record your personal **AHA moment** about stormwater pollution prevention.  
What is the most important thing you learned?

### **Personal Reflection Questions:**

*How does stormwater plans, regulations and activities relate to my job?  
After completing this lesson, how has my perception of stormwater plans, regulations and pollution prevention has changed?*

### **Course Topics:**

- **Three different types of stormwater plans**
- **Stormwater plan terms including: SPCC, SWPPP, SWMP, NPDES, TMDL, MS4**
- **Five key SWPPP components, inspections and reporting**
- **Six SWPPP essential practices**
- **Six MS4 minimum control measures**
- **Overlap between SWMP and SWPPP**
- **Key components of an SPCC plan**
