

Sample Airport User Survey

Use this survey template to sample aviation users of your airport. Distribute this survey to based aircraft owners, corporate flight departments, airlines, cargo carriers, flight schools and other aircraft operators. Also, have itinerant (transient) pilots or passengers fill out this form if possible.

Airport User Survey

Please complete the follow survey to help us better meet the needs of our airport users and customers.

Name / Company		Date
City	State	Email (optional)

N-number	Aircraft Make	Aircraft Model	Home Airport ID

How frequently do you use this airport?	How often do you expect to use this airport in the future?

What is the purpose of your flight? Who are you visiting in the community? (if applicable)

Why do you operate / use this airport? Are you based at this airport?

Does the airport meet your needs? If so, how is the airport meeting your expectations? If not, what suggestions do you have for improvement?
