

## CONTENTS

<b>PREFACE .....</b>	<b>xiv</b>
<b>GLOSSARY OF ACRONYMS USED.....</b>	<b>xvii</b>
<b>SECTION 1 ENVIRONMENTAL LAW IN TRANSPORTATION PLANNING .....</b>	<b>1-1</b>
<b>A. METROPOLITAN PLANNING ORGANIZATIONS (MPOS).....</b>	<b>1-3</b>
1. Legal Requirements .....	1-3
a. General Requirements .....	1-3
b. Develop a Long-Range Transportation Plan (LRTP).....	1-3
c. Develop a Transportation Improvement Program (TIP)—134(h) .....	1-3
d. Other Legal Requirements.....	1-3
i. Limits of Authority.....	1-3
ii. Multi-State MPO Coordination .....	1-3
iii. Intra-State MPO Coordination .....	1-3
2. How MPOs Are Established .....	1-4
a. Designation.....	1-4
i. General .....	1-4
ii. Membership in Transportation Management Areas.....	1-4
iii. Continuing Designation and Revocation .....	1-4
iv. Redesignation .....	1-4
b. MPO Boundaries .....	1-4
3. MPOs Vary in Power and Composition.....	1-4
4. Role of MPOs in Transportation Planning .....	1-4
a. CAA.....	1-5
b. Intermodal Surface Transportation Efficiency Act (ISTEA) of 1991 and TEA-21 of 1998.....	1-5
<b>B. THE METROPOLITAN PLANNING PROCESS .....</b>	<b>1-5</b>
1. Factors To Consider in Metropolitan Planning Process.....	1-5
a. The ISTEA / TEA-21 Factors.....	1-5
i. Mobility and Access for People and Goods .....	1-5
ii. System Performance and Preservation .....	1-5
iii. Environment and Quality of Life.....	1-6
b. FHWA and FTA Regulations .....	1-6
c. FHWA .....	1-7
2. MPO Planning Process Products .....	1-7
a. The LRTP .....	1-7
i. Minimum Plan Requirements .....	1-7
ii. Coordination with CAA Agencies.....	1-7
iii. Public Involvement.....	1-8
iv. Plan Publication.....	1-8
b. The TIP .....	1-8
i. Program Development.....	1-8
ii. Project Prioritization and Program Financial Plan. ....	1-8
iii. Project Selection.....	1-8
iv. Public Notice and Comment on Proposed TIP .....	1-8
v. Financial Constraints. ....	1-8
<b>C. STATEWIDE PLANNING.....</b>	<b>1-8</b>
1. Factors to Consider in Statewide Planning Process .....	1-8
a. The ISTEA and TEA-21 Factors .....	1-8
i. Mobility and Access for People and Goods.....	1-8
ii. System Performance and Preservation.....	1-9

iii. Environment and Quality of Life.....	1-9
c. FHWA and FTA Regulations .....	1-9
2. Coordination with Metropolitan Planning Process .....	1-9
3. STIP .....	1-9
4. Financial Constraints .....	1-9
<b>D. ENVIRONMENTAL REVIEW .....</b>	<b>1-10</b>
<b>E. CORRIDOR PRESERVATION.....</b>	<b>1-10</b>
1. Purpose and Role of Corridor Preservation: Relationship to ISTEPA Planning .....	1-10
2. Regulatory Techniques .....	1-11
a. Corridor Mapping .....	1-11
b. Subdivision Exactions and Reservations .....	1-11
c. Takings .....	1-11
3. Advance Acquisition.....	1-13
4. NEPA and Other Environmental Laws .....	1-14
<b>F. CAA REQUIREMENTS .....</b>	<b>1-15</b>
1. The NAAQS and Their Application to Transportation Planning .....	1-16
a. NAAQS .....	1-16
i. Criteria Pollutants .....	1-16
ii. Attainment and Nonattainment Areas.....	1-16
b. SIPs .....	1-17
i. Ozone Nonattainment .....	1-17
ii. Carbon Monoxide Nonattainment .....	1-18
iii. Sanctions for Missing or Inadequate SIPs.....	1-18
iv. Planning Procedures for SIPs.. ..	1-18
c. Trans-Boundary Mobile Source Pollution.....	1-18
2. Transportation Control Measures .....	1-18
a. Introduction .....	1-18
b. General TCMs .....	1-19
c. Economic Incentives Programs .....	1-19
d. <i>Delaney v. EPA</i> and Subsequent Interpretation of Whether Action is "Reasonably Available" .....	1-20
e. Implementation of Control Measures through the TIP .....	1-20
f. Motor Vehicle Inspection and Maintenance .....	1-21
g. Transportation-Related Provisions Applicable to Ozone Nonattainment Areas.....	1-21
h. Transportation-Related Provisions Applicable to CO Nonattainment Areas.....	1-22
3. Conformity.....	1-22
a. Introduction .....	1-22
b. Transportation Plans and TIPs .....	1-25
c. Project Level Conformity .....	1-25
d. Conformity Determinations.....	1-25
e. Scope of Transportation Conformity Requirement.....	1-25
f. Timing and Frequency of Transportation Conformity Determination.....	1-25
g. Conformity Regulations .....	1-25
i. Determining Conformity of General Federal Actions to State or Federal Implementation Plans.....	1-25
ii. Determining Conformity of Federal Transportation Actions with State or Federal Implementation Plans .....	1-26
iii. Regionally Significant Nonfederal Projects .....	1-26
iv. Conformity Lapse and Freeze.....	1-27
4. The Congestion Mitigation and Air Quality Improvement Program.....	1-28
<b>SECTION 2 PROJECT ENVIRONMENTAL ANALYSIS .....</b>	<b>2-1</b>
<b>A. ENVIRONMENTAL ASSESSMENT REQUIREMENTS UNDER NEPA .....</b>	<b>2-3</b>
1. Introduction.....	2-3
2. What is a "Federal Action?" .....	2-4
a. In General.....	2-4
b. Federally Funding: Preliminary Actions.....	2-4

c. Federally Approved Actions Not Funded by the Federal Government.....	2-4
i. Federal Actions Required to Allow an Action to Proceed.....	2-4
ii. Planning and Regulatory Programs.....	2-6
d. Timing Problems: When is an Action a Proposal for Purposes of NEPA? .....	2-7
i. General Principles.....	2-7
ii. State and Regional Transportation Planning.....	2-8
iii. NEPA and Right-of-Way Decision-Making for Projects Planned to Become Federal Projects.....	2-8
e. Does NEPA Apply to Defederalized Projects? .....	2-9
f. What is the Consequence of Failing to Apply NEPA in a Timely Fashion? .....	2-10
i. Availability of a Preliminary Injunction.....	2-10
ii. Remedy Granted by Preliminary Injunction.....	2-11
3. The Environmental Assessment Process: When Must an Impact Statement Be Prepared? .....	2-11
a. Tests for Finding an Action "Major" and Determining Impacts to Be "Significant" .....	2-11
b. Environmental Assessment Procedures .....	2-12
c. Categorical Exclusions .....	2-13
d. Environmental Assessments and FONSI.....	2-14
4. Scope and Content of an EIS .....	2-14
a. Scope of the Project That Must Be Considered.....	2-14
i. Program Impact Statements .....	2-14
ii. Tiered Environmental Impact Statements.....	2-15
b. Content of an EIS .....	2-16
i. Is the Impact Statement Adequate? Judicial Review Standards.....	2-16
ii. Alternatives That Must Be Discussed, Including the Appropriate Level of Detail for Each Alternative .....	2-17
iii. Segmentation .....	2-18
iv. Cumulative, Indirect, and Secondary Impacts.. ..	2-20
v. Mitigation .....	2-20
vi. Responses to Comments .....	2-22
c. Remedies .....	2-22
5. Supplemental EIS' s.....	2-22
6. Administrative Record.....	2-23
a. Scope and Content.....	2-23
b. To What Extent May Courts Supplement the Administrative Record for Purposes of Judicial Review? .....	2-24
7. The Lead Agency Problem .....	2-24
8. State "Little NEPAs" .....	2-25
a. Introduction.....	2-25
b. Judicial Review and Remedies .....	2-27
c. Actions and Projects Included .....	2-28
d. The Significance Determination.....	2-28
e. Scope of the Impact Statement .....	2-28
f. Alternatives .....	2-29
g. Adequacy and Effect of an Impact Statement.....	2-29
h. Supplemental Impact Statements.....	2-29
<b>B. SECTION 4(F) OF THE DEPARTMENT OF TRANSPORTATION ACT .....</b>	<b>2-30</b>
1. What is "Use" Under Section 4(f)?.....	2-30
a. Actual Use of Protected Land.....	2-30
b. Constructive Use of Protected Land.....	2-30
2. Resources Protected by Section 4(f) .....	2-32
a. Public Parks, Recreation Areas, and Refuges.....	2-32
i. Multiple-Use Land Holdings .....	2-32
ii. Bodies of Water .....	2-32
b. Historic Sites .....	2-33
3. Substantive Requirements of Section 4(f).....	2-34
a. The <i>Overton Park</i> Case .....	2-34
b. Feasible and Prudent Alternatives .....	2-34
c. All Possible Planning to Minimize Harm .....	2-36

## **SECTION 3 OTHER ENVIRONMENTAL LAWS APPLICABLE TO TRANSPORTATION PROJECTS ..... 3-1**

### **A. SECTION 404 OF THE CLEAN WATER ACT .....3-3**

1. Geographic Jurisdiction .....	3-3
a. Definition of "Waters of the United States" .....	3-3
b. Wetlands Delineation .....	3-5
2. Jurisdiction Over Activities .....	3-5
a. Definition of "Discharge" .....	3-5
b. Exempt Activities: Discharges Not Requiring Permits.....	3-7
3. General Permits.....	3-7
a. Nationwide Permits .....	3-7
b. Regional Permits .....	3-8
c. Programmatic General Permits.....	3-8
4. Individual Permits.....	3-9
a. Permit Standards.....	3-9
i. Section 404(b)(1) Guidelines.....	3-9
ii. The Public Interest Review Criteria.....	3-10
b. EPA Authority to Veto Section 404 Individual Permits.....	3-10
5. Water Quality Certification Under Section 401 of the Federal CWA.....	3-11
6. Mitigation and Mitigation Banking.....	3-12
a. Mitigation Regulatory Requirements.....	3-12
b. Mitigation Banking.....	3-12
i. Establishment of Mitigation Banks and Mitigation Banking Instruments.....	3-13
ii. Use of Mitigation Banks.....	3-13
iii. Technical Feasibility of Mitigation Banks .....	3-13
iv. Evaluation of Past Wetland Mitigation Projects.....	3-14
v. Potential Benefits of Offsite Mitigation and Mitigation Banking.....	3-14

### **B. NPDES.....3-15**

1. NPDES Permit Requirements .....	3-15
2. NPDES Permitting for Stormwater Discharges .....	3-16

### **C. CONSIDERATION OF CERCLA AND RCRA IN TRANSPORTATION PLANNING..... 3-17**

1. Basis For Liability—Generally .....	3-17
a. Liability Imposed Retroactively .....	3-17
b. Liability Imposed on Several Classes of Persons .....	3-18
c. Liability is Strict, Joint, and Several.....	3-18
d. Limited Statutory Defenses .....	3-19
e. Liability Imposed for Response Costs Consistent with the National Contingency Plan (NCP).....	3-19
2. Evaluating Potential Environmental Risk in Transportation Planning.....	3-19
a. Perform Evaluation of Potential Contamination of a Site.....	3-20
i. Initial "Phase 1" Investigation.....	3-20
ii. "Phase II" Investigation.....	3-20
b. Avoidance of Contaminated Property—Realignment of a Highway Project.....	3-20

### **D. OTHER ENVIRONMENTAL LAWS APPLICABLE TO TRANSPORTATION PROJECTS.....3-21**

1. Endangered Species Act (ESA) and Other Fish and Wildlife Law .....	3-21
a. Federal ESA .....	3-21
i. Administration of the ESA .....	3-21
ii. Endangered Species Listing Process.....	3-21
iii. Designating Critical Habitat .....	3-22
iv. ESA Restrictions and Prohibitions.....	3-23
v. The Taking Prohibition.....	3-23
vi. Judicial Decisions on the Definition and Interpretation of "Taking" of an Endangered Species .....	3-23
vii. ESA and Federal Actions.....	3-24
viii. Federal Agency Actions Subject to Consultation.....	3-24
ix. Biological Assessment.....	3-25
x. The Exemption Clause.....	3-26

xi. Section 10 Incidental Taking Permit and Habitat Conservation Planning for Nonfederal Projects.....	3-26
b. The Fish and Wildlife Coordination Act.....	3-27
c. The Migratory Bird Treaty Act .....	3-27
d. State Endangered Species Laws .....	3-28
2. Swampbuster and Wetland Reserve Program Provisions of the Food Security Act (FSA).....	3-29
3. Other Wetlands Law .....	3-29
a. The Wetlands Executive Order and DOT Order 5660.1A.....	3-29
i. The Wetlands Executive Order .....	3-29
ii. DOT Order 5660.1A. ....	3-30
b. Limitations of the Wetlands Executive Order and DOT Order 5660.1A .....	3-30
4. The Rivers and Harbors Act (RHA) of 1899 .....	3-31
a. Section 9 and 10 Permit Requirements.....	3-31
b. Relationship of RHA with Section 404 Permitting Program of the CWA.....	3-31
c. RHA Applicability to Bridges and Causeways .....	3-31
5. Floodplains Law .....	3-31
a. The National Flood Insurance Program (NFIP) and the Unified National Program for Floodplain Management .....	3-32
6. Coastal Zone Law .....	3-32
a. The CZMA .....	3-32
b. State Coastal Zone Management (CZM) Programs.....	3-33
c. The Coastal Barrier Resources Act (CBRA) .....	3-33
7. Public Land Management Law .....	3-34
a. National Wildlife Refuge System Administration Act (Refuge Act).....	3-34
b. Wild and Scenic Rivers Act .....	3-35
c. National Forest Management Act (NFMA).....	3-36
d. Federal Land Policy and Management Act (FLPMA).....	3-36
e. The Wilderness Act.....	3-37
f. Land and Water Conservation Act.....	3-37
g. Water Bank Act.....	3-37
<b>E. HISTORIC PRESERVATION LAW .....</b>	<b>3-38</b>
1. NHPA .....	3-38
a. Section 106.....	3-38
i. Federal Agency Duty.....	3-38
ii. "Undertaking" Trigger.....	3-38
iii. The Section 106 Process: Procedural Obligations.....	3-39
iv. Research and Initial Consultation. ....	3-40
v. Inventory and Eligibility of Historic Properties .....	3-41
vi. Assessment of "Effect." .....	3-42
vii. Resolution of Adverse Effect .....	3-42
viii. Consultation with Advisory Council and SHPO.....	3-42
ix. Public Comment. ....	3-42
x. Memorandum of Agreement.....	3-42
xi. Advisory Council on Historic Preservation Review and Comment. ....	3-42
b. Judicial Review of NHPA Compliance .....	3-42
c. NHPA and NEPA Procedural Comparison .....	3-45
i. Duty to "Take Into Account".....	3-45
d. Section 110.....	3-46
i. Preservation of Historic Properties Owned or Controlled by Federal Agencies.....	3-46
ii. Duty of Agency.....	3-46
e. Standing to Sue Under NHPA.....	3-46
2. The Antiquities Act.....	3-47
3. The Archaeological Resources Protection Act.....	3-47
<b>F. MITIGATING THE IMPACT OF TRANSPORTATION PROJECTS ON LAND.....</b>	<b>3-48</b>
1. Types of Mitigation .....	3-48
2. Authority to Mitigate .....	3-48
a. Wetlands, Floodplains, Erosion, and Endangered Species .....	3-48
b. Noise .....	3-49
c. Parklands and Historic and Archaeological Resources.....	3-50

d. Viewsheds and Aesthetic Concerns.....3-50

3. Constraints on the Use of Funding for Mitigation.....3-50

4. Use of Eminent Domain for Mitigation .....3-51

5. Enforcement of Mitigation Commitments.....3-52

**SECTION 4 ACQUISITION OF SITES ..... 4-1**

**A. CERCLA LIABILITY AND HOW TRANSPORTATION AGENCIES ARE AFFECTED .....4-3**

1. General Discussion—Basis for Transportation Agency Liability .....4-3

    a. Ways Transportation Agencies May Be Involved in the CERCLA Statutory Scheme .....4-3

        i. Retroactive.....4-3

        ii. Liability Imposed on Several Classes of Persons. ....4-3

        iii. Liability is Strict, Joint, and Several.....4-4

        iv. Limited Statutory Defenses.....4-4

        v. Consistency with the National Contingency Plan .....4-4

    b. Policy Behind CERCLA—As Applied to Transportation Agencies .....4-5

2. Acquisition by Eminent Domain—The Condemnation Defense.....4-5

    a. Statutory Basis.....4-5

    b. Elements Necessary to Establish Condemnation Defense .....4-5

3. Regulatory Actions Against Transportation Agencies Under CERCLA.....4-6

    a. General Notice Letter .....4-6

    b. Agreed Orders and Administrative Orders .....4-6

4. Taking Cleanup Costs into Account at Acquisition .....4-7

    a. Acquisition of Less than Fee Interest.....4-7

    b. Valuation Methods for Acquiring Contaminated Property.....4-7

        i. Value as "Clean" and Subtract Remediation Costs.....4-7

        ii. Use of Contaminated Comparable Sales.....4-8

        iii. Income Approach with Amortization of Costs .....4-9

        iv. Valuation as "Clean" in Exchange for Owner Cleanup and/or Indemnification .....4-9

        v. Valuation as "Clean" and Placement of Funds in Escrow.....4-9

        vi. Valuation as "Clean" and Payment of Funds into Court Pending Cleanup and/or Indemnification.....4-9

        vii. Valuation of Access Rights.....4-10

        viii. Prospective Purchaser Agreements.....4-10

    c. Negotiation with Responsible Parties .....4-10

**B. RECOVERY OF CLEANUP COSTS.....4-10**

1. Identifying PRPs .....4-10

2. Cost Recovery Under CERCLA .....4-10

    a. Prima Facie Case .....4-10

    b. Jurisdiction .....4-11

    c. Recoverable Costs .....4-11

3. Defenses to a Transportation Agency Cost Recovery Action .....4-11

    a. Not Consistent with the NCP.....4-11

    b. Discharge in Bankruptcy .....4-12

    c. Other Defenses .....4-14

        i. Use of Federal Funds by State and Local Transportation Agency.....4-14

        ii. State Immunity From Suit—Discussion of *Seminole Tribe of Florida v. Florida, et. al*.....4-14

        iii. Counterclaims by Defendants Against Agency.....4-15

    d. Recovery from Superfund .....4-15

    e. Cost Recovery Under State Law.....4-15

**C. STATE HAZARDOUS WASTE LAWS.....4-15**

1. State Approaches to Site Cleanup.....4-16

    a. New Jersey.....4-16

    b. California.....4-16

    c. Colorado .....4-17

2. Implications for State Transportation Agencies.....4-17

3. Liability Standards Under State Laws.....4-17

    a. Strict Liability or Fault .....4-17

b. Categories of Liable Parties .....	4-18
i. State Changes to the Pool of Liable Parties .....	4-18
ii. Treatment of Particular Categories .....	4-18
c. Joint and Several Liability .....	4-19
d. State Variations on Enforcement .....	4-19
i. Enforcement .....	4-19
ii. Cleanup Cost Liens .....	4-20
iii. Citizen Suits .....	4-21

## **SECTION 5 ENVIRONMENTAL LAW AS IT APPLIES TO CONSTRUCTION AND OPERATION OF TRANSPORTATION PROJECTS..... 5-1**

### **A. CERCLA LIABILITY: CONSTRUCTION AND OPERATION OF FACILITIES.....5-3**

1. What is an “Operator?” .....	5-3
2. Responsibility for Cleanup .....	5-4
3. Operation of Maintenance Facilities .....	5-4
4. Outleasing of Facilities or Sites .....	5-5
5. Generator or Arranger Liability at Disposal and Treatment Facilities .....	5-5
6. Ferry Operations .....	5-6
7. Contamination by Abutting Landowners .....	5-6
8. Defenses to CERCLA .....	5-6

### **B. CWA IN CONSTRUCTION AND OPERATION .....5-6**

1. Stormwater Runoff and NPDES .....	5-6
a. Permits for Stormwater Discharge Associated with Construction Activity .....	5-6
b. Water Quality Standards .....	5-8

### **C. LIABILITY UNDER RCRA.....5-8**

1. Goals, Policies, and Objectives of RCRA .....	5-9
2. Waste Materials Subject to Regulation .....	5-9
a. Statutory Definitions of Solid Waste and Hazardous Waste .....	5-9
b. EPA Definitions of Wastes .....	5-9
i. Types of Waste Excluded from Definitions .....	5-10
ii. Mixture Rule .....	5-10
3. Generators—Standards Applicable to Hazardous Waste Generators .....	5-10
a. Definition of Generator .....	5-11
b. Hazardous Waste Determination .....	5-11
c. EPA Identification Numbers .....	5-11
d. Pre-Transport Requirements .....	5-11
e. Manifest Requirements .....	5-11
f. Recordkeeping and Reporting .....	5-11
g. Small Quantity Generators .....	5-12
4. Transporters—Requirements Applicable to Hazardous Waste Transporters .....	5-12
a. Manifest Requirements .....	5-12
b. Recordkeeping Requirements .....	5-12
c. Hazardous Waste Discharges During Transportation .....	5-12
5. Regulation of Treatment, Storage, and Disposal Facilities .....	5-13
a. Identification Numbers and Permits .....	5-13
b. Interim Status .....	5-13
c. Manifest Recordkeeping and Reporting Requirements .....	5-13
d. Facility Inspection Requirements .....	5-13
e. Personnel Training Requirements .....	5-13
f. Contingency Planning and Emergencies .....	5-14
g. Location, Operation, and Design Standards .....	5-14
h. Groundwater Monitoring Requirements .....	5-14
i. Corrective Action Requirements .....	5-14
j. Closure and Post-Closure Status .....	5-14
k. Financial Responsibility .....	5-14
6. Underground Storage Tank Requirements .....	5-14

- a. Regulated Tanks ..... 5-14
- b. Tank Registration and Notification Requirements ..... 5-15
- c. Performance Standards ..... 5-15
- d. Release Detection ..... 5-15
- e. Release Reporting, Investigation, and Response ..... 5-15
- f. Closure and Change-in-Service Requirements ..... 5-15
- g. Financial Responsibility Requirements ..... 5-15
- 7. Enforcement for Violations of RCRA ..... 5-15
  - a. EPA Enforcement ..... 5-15
  - b. Citizen Suits ..... 5-16

**SECTION 6 LITIGATION ISSUES ..... 6-1**

**A. PRELIMINARY OBSERVATIONS..... 6-3**

- 1. Preliminary Injunction ..... 6-3
  - a. Standard for Issuance ..... 6-3
  - b. Recent Judicial Decisions Applying the Standard for Issuance of an Injunction..... 6-4
  - c. Arguments by Transportation Agencies to Prevent Issuance of Injunctions ..... 6-5
    - i. Laches and Statute of Limitations..... 6-5
    - ii. Balancing the Equities ..... 6-5
    - iii. Remedy..... 6-6
  - d. Procedures for Obtaining Injunction ..... 6-6
- 2. Standard of Review ..... 6-6
  - a. Standard of Review Under NEPA ..... 6-6
- 3. Importance of Administrative Record..... 6-8

**B. WHO MAY BRING SUIT ..... 6-8**

- 1. Standing to Challenge Administrative Agency Actions ..... 6-9
  - a. Appropriate Standard ..... 6-9
  - b. What Constitutes Injury in Fact? ..... 6-9
- 2. Private Right of Action Under Other Federal Statutes ..... 6-9
  - a. Citizen Suits Under the CWA..... 6-10
  - b. Citizen Suits Under the CAA ..... 6-10
  - c. Environmental Justice Claims..... 6-11
- 3. Right to Sue Under State Law or State Constitution ..... 6-12
  - a. State Citizen Suit Statutes..... 6-12
  - b. Attempts to Find a Basis for Citizen Suits in State Constitutions..... 6-12

**C. TRIAL STRATEGY AND TECHNIQUES IN ENVIRONMENTAL LITIGATION ..... 6-13**

- 1. Issues Often Joined with and Related to Environmental Litigation ..... 6-13
  - a. Section 4(f) Requirements of the Department of Transportation..... 6-13
  - b. Federal-Aid Highway Act ..... 6-13
  - c. Relocation Assistance..... 6-13
  - d. Federal CAA ..... 6-13
    - i. Conformity ..... 6-13
    - ii. Indirect Source Requirements ..... 6-13
  - e. Requirements of the ISTEA..... 6-14
  - f. NHPA ..... 6-14
  - g. Federal CWA ..... 6-14
  - h. Local Zoning and Land Use Regulations ..... 6-15
    - i. Federal Aviation Act..... 6-15
    - ii. Noise Control Act ..... 6-15
- 2. Importance of the Complaint ..... 6-16
- 3. The Discovery Process..... 6-16
  - a. Discovery by Plaintiffs Against Transportation Agency..... 6-16
  - b. Discovery by the Transportation Agency ..... 6-17
  - c. Ability of Either Party to Seek Court Orders to Either Compel Discovery or Protect Privileged Information ..... 6-17
- 4. Defensive Strategy and Affirmative Defenses ..... 6-18

a. Motions That Prevail on Technical Defects .....	6-18
b. Raising Affirmative Defenses.....	6-18
i. Laches .....	6-18
ii. Standing.....	6-19
iii. Procedural Defects in a Class Action Suit. ....	6-19
iv. Sovereign Immunity .....	6-19
v. Statute of Limitations .....	6-19
c. The Useful Tool of Summary Judgment.....	6-20
<b>D. ALTERNATIVE DISPUTE RESOLUTION OF ENVIRONMENTAL ISSUES .....</b>	<b>6-20</b>
1. The Mediation Process .....	6-20
a. Dispute Resolution of Intractable Environmental Conflicts .....	6-21
2. Advantage and Disadvantages of Mediation as Compared to Litigation .....	6-21
